FROM THE CHAIR | JIM HERRON

The Prologue Society continues its marvelous speaker/author lineup for 2017-2018 with Bijan Omrani joining us this Thursday, February 22, to discuss his new book, *Caesar's Footprints: A Cultural Excursion to Ancient France: Journeys Through Roman Gaul*; Giles Milton will present *Churchill's Ministry of Ungentlemanly Warfare: The Mavericks who Plotted Hitler's Defeat* on Thursday, March 8; and they're followed by David Grann, when he brings us *Killers of the Flower Moon: The Osage Murders and the Birth of the FBI* on Wednesday, April 18.

Giles Milton has a passion for what he calls "Unknown History." His published works include *Nathanial's Nutmeg*, *When Hitler Took Cocaine and Lost His Brain*, and *When Churchill Slaughtered Sheep and Stalin Robbed a Bank*. He is the host of the Unknown History Podcast, and our featured book, *Churchill's Ministry of Ungentlemanly Warfare*, was a finalist for the 2017 Goodreads Choice Award for the best History book of 2017. The book is a gripping and vivid narrative of adventure and derring-do and possibly one of the last great untold stories of WWII.

Churchill's Ministry of Ungentlemanly Warfare

In the spring of 1939, a top-secret organization was founded in London: its purpose was to plot the destruction of Hitler's war machine, through spectacular acts of sabotage.

The guerrilla campaign that followed was every bit as extraordinary as the six men who directed it. One of them, Cecil Clarke, was a maverick engineer who had spent the 1930s inventing futuristic caravans. Now, his talents were put to more devious use: he built the dirty bomb used to assassinate Hitler's favorite, Reinhard Heydrich. Another, William Fairbairn, was a portly pensioner with an unusual passion: he was the world's leading expert in silent killing, hired to train the guerrillas being parachuted behind enemy lines. Led by dapper Scotsman Colin Gubbins, these men---along with three others---formed a secret inner circle that, aided by a group of formidable ladies, single-handedly changed the course of the Second World War: a cohort hand-picked by Winston Churchill, whom he called his Ministry of Ungentlemanly Warfare.

Giles Milton's *Churchill's Ministry of Ungentlemanly Warfare* is a gripping and vivid narrative of adventure and derring-do that is also, perhaps, the last great untold story of the Second World War.

GILES MILTON is an internationally bestselling author of narrative nonfiction. His books include *Nathaniel's Nutmeg*—serialized by the BBC—and seven other critically acclaimed works of history.
